WHITE CONCRETE DECORATIVE FLOORS USING LEHIGH WHITE CEMENT

FOR DECORATIVE
CONCRETE CONTRACTORS

USE LEHIGH WHITE CEMENT FOR GREAT CONCRETE FLOORS

- ◆ Lehigh White Cement in your concrete mix provides consistency and high performance
- ◆ Choose Lehigh White Cement for a better and brighter finish

CONTRACTORS WHO CHOOSE LEHIGH WHITE CEMENT

- ◆ Understand the importance of color and reflectivity
- ◆ Stand apart from the crowd with a diverse range of options

CONCRETE FINISHING OPTIONS INCLUDE

- ◆ Hard-troweling for a traditional finish
- ◆ Polishing for a shine that sells
- ◆ Integral and post placement coloring
- ◆ Salt & pepper effects:
 - Deeper grind into the coarse aggregate
 - White cement with light and dark aggregate combinations

LEHIGH WHITE CEMENT

- Available throughout the United States and Canada
- Meets standard ASTM Specs.

BEST PRACTICES

- Dedicated mixing & batching
- White or light colored sand
- Trial batches to dial-in the mix
- Dry-in before placement
- Protect floor from:
 - Oil and solvents
 - Gouges and deep scratches
